Youth Centre open Tuesdays and Thursdays 3:30-6 p.m.  
If you have anything you would like to add to the events calendar, please contact the Alix Public Library @ 403.747.3233 or [alixpublic@prl.ab.ca](mailto:alixpublic@prl.ab.ca).  
**Final date for submissions is the last Tuesday of the month for the next months issue.**

# 10 Easy Ways to Save Energy in your Home

1. Switch off or unplug any chargers or appliances you're not using or need on.
2. Washing laundry at a lower temperature will use less electricity
3. In warmer months, hang your clothes, avoid the dryer
4. Lower your heat setting if no one is in the house for the day or if you're gone on holiday
5. Use lids on pots and pans to reduce cooking time
6. Take showers instead of baths
7. Use LED bulbs throughout your house/shop/garage
8. Turning down your hot water tank (no lower than 55 degrees Celsius)
9. Use smaller appliances (crock pots & convection ovens are great!)
10. Get the kids involved. Play energy-saving games with your kids. Get them to spot the areas in the home where energy is being wasted and where lights, switches or appliances have been left on

**SAVING**  
**ENERGY IS EASY.**

AT HOME AND AT WORK.

using energy wisely  
is good for the  
environment & wallet

**less IS more**  
THE SIMPLEST THING YOU CAN DO IS  
**CONSUME LESS**
